Itinerary

Day 1: Fresno / Mariposa Grove / Yosemite National Park

Sunday morning pick up in Fresno • Shuttle north toward the famous Mariposa Grove of Giant Sequoias where we'll take a short, peaceful hike amongst these gentle giants • Following lunch we drive into the park, stopping for a picnic lunch and photo ops at Tunnel View • Tunnel View is the classic view that Ansel Adams made famous showcasing El Capitan, Half Dome, and Bridalveil Fall • Late afternoon, check into Rush Creek Lodge, your home for the next two nights • *Overnight at Rush Creek Lodge (L, D)*

Day 2: Hetch Hetchy Valley

After breakfast, shuttle to Hetch Hetchy Reservoir for our trek to Wapama Falls • Along this fascinating trek, listen as your guides tell you stories of John Muir's time in Yosemite • He claims the Hetch Hetchy Valley was every bit as beautiful as Yosemite Valley until the 1920s; then the Tuolumne River was dammed to create a water supply for San Francisco • After lunch we will head out for another pleasant hike along the Tuolumne River on the lookout for the perfect swimming hole • Return back to the lodge for relaxation and then dinner • *Overnight at Rush Creek Lodge (B, L, D)*

Day 3: Yosemite Valley

This morning, we shuttle to the trailhead of the Mist Trail • A 3.3 mile hike takes us to the top of Vernal Fall, tackling 1,000 feet of elevation gain that includes an unforgettable stretch of steep stone steps in the midst of a waterfall • If the group feels up to it, we'll continue on to Nevada Fall and hike back to where we started along the John Muir Trail • Later, we'll transfer to Tenaya Lodge, your home for the next three nights • Continue your exploration of this amazing area tonight as you spend dinner and the rest of the evening on your own • *Overnight at Tenaya Lodge (B, L)*

Day 4: Half Dome Village / Yosemite Valley

Fuel up with a warm, fresh meal before we head out to Half Dome Village, where we'll grab some climbing shoes for a fantastic day of rock climbing and rappelling – no trip to Yosemite would be complete without it! • Classes are designed for climbers of all levels, so everyone from beginners to experts will take away a new skill-set • You'll spend the better part of the day learning everything there is to know about rock climbing – from tying knots to rappelling, and everything in between • After a pizza lunch at your climbing site, we'll continue our uphill ascent through early afternoon • Tonight we eat an early dinner and take in a sunset from Sentinel Dome before making our way back to Tenaya • *Overnight at Tenaya Lodge (B, L, D)*

California Adult – Yosemite National Park

Day 5: Upper Yosemite Falls

Today, embark on an all-day hike along one of Yosemite's oldest historic trails (built 1873 to 1877) • This trail starts along the Valley Loop Trail, and immediately begins its climb, switchback after switchback, through oak woodland • At a mile in, you'll be rewarded with spectacular views of Yosemite Valley, Half Dome, and Sentinel Rock • From here, we continue another half mile to get a stunning view of Upper Yosemite Falls • The upper half of the trail is steep and rocky, but the arduous climb is well worth the amazing views you will be rewarded with at the Brink of Yosemite Falls • Enjoy a well-earned trailside lunch and continue down the way you came • Transfer back to Tenaya for a final dinner with the group • *Overnight at Tenaya Lodge (B, L, D)*

Day 6: Tenaya / Fresno

Enjoy a leisurely breakfast at the lodge • This morning you can take advantage of some last-minute pool or spa time • Reluctantly we say good bye to the park and start our way back to Fresno • Hotel and airport drop offs in the early afternoon (no flights before 3 pm) • *(B)*

Activities

Hiking – 1 to 7 miles per hike, easy to strenuous in difficulty on varying terrain (dirt trails, smooth granite, wet stone, etc.) Sometimes multiple hikes will be done in a day.

Rock Climbing – Introductory class on the basics of climbing. No experience necessary – shoes, rope, harnesses and instruction provided by professional rock climbing instructor.

Discovery – John Muir named this place the ‘range of light’ and for good reason. You’ll learn how glaciers formed this valley as you stand under granite monoliths rising thousands of feet above you. You’ll understand why this place is commonly called the ‘Incomparable Valley.’ Listen as your guides delve into the controversy over the Hetch Hetchy Valley: Should the valley remain dammed providing water for the nearby city of San Francisco or should it be restored to its formal glory as what John Muir described as “one of nature’s rarest and most precious mountain temples.” Visit the famous *Yan-o-pah (little cloud)* or Vernal Fall as it’s called today to witness its massive cascade of tumbling whitewater drop 317 feet over a cliff. Discover why Yosemite National Park is a rock climber’s mecca as you stare in awe at granite monoliths like Half Dome and El Capitan. Examine black and white photographs from Ansel Adam’s time spent in the park in the 1910’s. Discover for yourself this place they call “The Golden State”.
